Cleveland Clinic

25th Anniversary Valve Disease, Structural Interventions & Diastology/Imaging Summit

Dear Potential Exhibitor:

On behalf of the Cleveland Clinic Department of Cardiovascular Medicine, we invite you to participate at the ***25th Anniversary Valve Disease, Structural Interventions and Diastology/Imaging Summit***, to be held February 2 – 5, 2023 at the Eden Roc Miami Beach, FL.

The course will focus on mitral, aortic and tricuspid valve diseases as well as the latest advances in structural interventions including TAVR, percutaneous edge to edge repair, valve-in-valve procedures and LAA occluder devices. This summit will include case-based lectures and workshops about strain, 3-D and contrast echo.

This is a multi-funded CME initiative. Projected attendance is estimated at 120 non-invasive and invasive cardiologists, cardiac surgeons, anesthesiologists, sonographers, nurses, fellows, and other healthcare professionals interested in heart valve disease, new echo technologies, diastology and multimodality imaging.

The standard exhibit level is $5,000 and includes a 6' table top display for 3 days, roster of consenting attendees and 2 exhibitor passes for the summit. There also are a limited number of Non-CME programs and promotional offerings available. **View exhibit and promotional opportunities and reserve your space.**

AMA PRA Category 1 Credit™ will be provided by the Cleveland Clinic Foundation Center for Continuing Education. This live CME program fully complies with ACCME Standards for Commercial Support, and is developed independently and without influence by any commercial interests.

To ensure proper acknowledgement of your contribution, checks should be made payable to: **The Cleveland Clinic Educational Foundation**, (Tax ID # 34-0714553) and sent to:
