Cleveland Clinic

# Pediatric Surgical Symposium

A Complimentary CME Event **Saturday, May 17, 2008**

Irritable Bowel Disease  
in Children

Scoliosis

Pediatric Vascular  
Malformations and  
Surgical Options:  
Diagnosis, Evaluation  
and Management

Non-cardiac Surgery for a  
Child with CHD: Anesthetic  
Considerations

Surgical Types of Inflammatory  
Bowel Disease

Common Ambulatory Surgical  
Problems: G-Tubes, Ingrown  
Toenails and Plantar Warts

Pre-op Assessment:  
When to Reschedule  
a Case

Cleft Palate:  
A Systematic Review

Pediatric Fractures

**Location** Lerner Research Institute, Cleveland Clinic Campus, Fifth Floor Amphitheater (NA5-08)

## Schedule

### 8 – 8:30 a.m. Registration and Breakfast

#### 8:30 a.m.

Robert Wyllie, MD  
Irritable Bowel Disease in Children

#### 9 a.m.

Ryan Goodwin, MD  
Scoliosis

#### 9:30 a.m.

Allison Vidimos, MD  
Pediatric Vascular Malformations and  
Surgical Options: Diagnosis, Evaluation and  
Management

### 10 – 10:15 a.m. Break

#### 10:15 a.m.

Emad Mossad, MD  
Non-cardiac Surgery for the Child with  
CHD: Anesthetic Considerations

#### 10:45 a.m.

Anthony Stallion, MD  
Surgical Types of Inflammatory  
Bowel Disease

#### 11:15 a.m.

Oliver Soldes, MD  
Common Ambulatory Surgical  
Problems: G-Tubes, Ingrown  
Toenails and Plantar Warts

#### 11:45 a.m.

Pablo Motta, MD  
Pre-Op Assessment: When to  
Reschedule a Case

### 12:15 - 1:15 p.m. Complimentary Lunch

#### 1:15 p.m.

Christopher Discolo, MD  
Cleft Palate: A Systematic Review

#### 1:45 p.m.

David Gurd, MD  
Pediatric Fractures

### 2:30 p.m. Meeting Adjourned

## Pediatric Surgical Symposium

This course, to be held in Cleveland Clinic's Lerner Research Institute on our main campus, is directed at pediatricians and family physicians. Attendance at the course will educate primary care practitioners on advances in, and new treatments for, common pediatric surgical problems.

### Objectives

- Acquire the ability to diagnose and refer appropriate surgical cases.
- Describe the latest innovations in diagnosis and treatment of pediatric surgical diseases.

### Course Director

Anthony Stallion, MD  
Pediatric Surgery

### Children's Hospital Faculty

Christopher Discolo, MD  
Pediatric Otolaryngology

Ryan Goodwin, MD  
Pediatric Orthopaedic Surgery

David Gurd, MD  
Pediatric Orthopaedic Surgery

Pablo Motta, MD  
Pediatric Cardiothoracic Anesthesiology

Anthony Stallion, MD  
Pediatric Surgery

Oliver Soldes, MD  
Pediatric Surgery

Allison Vidimos, MD  
Pediatric Plastic Surgery

Robert Wyllie, MD  
Chairman, Pediatric Institute  
and Children's Hospital;  
Calabrese Chair in Pediatrics;  
Physician-in-Chief, Children's  
Hospital

### Guest Faculty

Emad Mossad, MD  
Director, Pediatric  
Cardiovascular Anesthesia,  
Texas Children's Hospital;  
Professor of Anesthesiology and  
Pediatrics, Baylor College of  
Medicine

**Location** Lerner Research Institute, Cleveland Clinic Campus, Fifth Floor Amphitheater (NA5-08), East 100th Street and Carnegie Avenue. Free parking is available at the adjoining Visitor's Garage. Bring your parking ticket to the course registration desk for validation.

**Accreditation** The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this educational activity for a maximum of 4.75 AMA PRA Category 1 Credit(s).™ Physicians should only claim credit commensurate with the extent of their participation in the activity.

This activity may be submitted for American Osteopathic Association Continuing Medical Education credit in Category 2.

**Faculty Disclosure** The Cleveland Clinic Center for Continuing Education has implemented a policy to comply with the current Accreditation Council for Continuing Medical Education Standards for Commercial Support requiring resolution of all faculty conflicts of interest. Faculty declaring a relevant commercial interest will be identified in the activity syllabus.

## Presentations

### Cleft Palate: A Systematic Review Christopher Discolo, MD

Specialty Interests: Full spectrum of pediatric otolaryngology, with a special interest in management of complex airway disease, including laryngotracheal reconstruction; cleft lip and palate surgery; mandibular distraction; speech surgery and management of velopharyngeal insufficiency and hearing loss

### Scoliosis

#### Ryan Goodwin, MD

Specialty Interests: Pediatric orthopaedics and scoliosis surgery, pediatric and adolescent hip disorders, scoliosis and spinal deformity, pediatric orthopaedic trauma, foot and lower extremity

### Children's Fractures

#### David Gurd, MD

Specialty Interests: Pediatric and adolescent orthopaedics, pediatric trauma, pediatric and adolescent spinal disorders, scoliosis, kyphosis, spondylolisthesis

### Non-cardiac Surgery for the Child with Coronary Heart Disease: Anesthetic Considerations

#### Emad Mossad, MD

(Texas Children's Hospital/Baylor College of Medicine)  
Specialty Interest: Pediatric  
cardiothoracic anesthesia

### Pre-Op Assessment: When to Reschedule a Case

#### Pablo Motta, MD

Specialty Interest: Pediatric  
cardiothoracic anesthesiology

### Common Ambulatory Surgical Problems: G-Tubes, Ingrown Toenails and Plantar Warts

#### Oliver Soldes, MD

Specialty Interests: Minimally invasive surgery, pediatric general surgery, neonatal surgery, pediatric surgical oncology, ECMO, critical care

### Surgical Types of Inflammatory Bowel Disease

#### Anthony Stallion, MD

Specialty Interests: Burn and trauma care, minimally invasive diagnosis and treatment, Hirschsprung disease, pediatric solid tumor, basic science research

### Pediatric Vascular Malformations and Surgical Options: Diagnosis, Evaluation and Management

#### Allison Vidimos, MD

Specialty Interests: Cutaneous oncology, Mohs micrographic surgery, laser surgery, cosmetic surgery, sclerotherapy

### Irritable Bowel Disease in Children

#### Robert Wyllie, MD

Specialty Interests: Inflammatory bowel disease, pediatric gastroenterology and nutrition, pediatric endoscopy

Pediatric Surgical Symposium  
May 17, 2008  
Course number: 020516

## Registration

To register, fax or email  
Elaine Chambers.  
Fax: 216.445.1035  
E-mail: [chambee@ccf.org](mailto:chambee@ccf.org)

For more information, go to  
[clevelandclinicmeded.com](http://clevelandclinicmeded.com)  
or call 216.444.4509

There is no charge for this  
event, but seating is limited.  
Please register by May 11.
