present

# 9th Annual Multidisciplinary Genitourinary Oncology Course

Wednesday, November 18, 2009

InterContinental Hotel & Bank of America Conference Center  
9801 Carnegie Avenue  
Cleveland, OH

## About the Course

Urologic neoplasms represent the model for multi-disciplinary management. With the rapid increase in our understanding of tumor biology and its extension into the clinic, there is an ever expanding therapeutic armamentarium available to manage patients with testicular, bladder, prostate and renal cell carcinoma.

This one-day course is designed to provide a topical, clinically-based overview of many of the current therapy dilemmas faced by clinicians managing GU neoplasms, with an emphasis on the opportunities for multidisciplinary management.

Urologists, medical and radiation oncologists, and other health care providers with an interest in the management of patients with urologic malignancies should attend this course.

Following participation in this course the participant will be able to:

- Recognize the significant interaction required of urologists, medical oncologists, and radiation oncologists in the optimal management of patients with urologic neoplasms.
- Discriminate better between the potential therapeutic options available for patients with prostate, bladder, kidney and testicular neoplasms.
- Integrate evolving knowledge of radiotherapy in the management of prostate cancer.
- Utilize evolving therapeutic options in patients with advanced bladder, prostate, and kidney neoplasms.

## Accreditation

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this educational activity for a maximum of 7 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association Council for Continuing Medical Education credit for Category 2 credit.

The Ohio Board of Nursing will accept at face value the number of contact hours awarded for an educational activity that has been approved for CE by a nationally accredited system of CE approval. Therefore the 7 physician *AMA PRA Category 1 Credits™* will be accepted for nursing credits. Nurses from other states should contact their State Board of Nursing.

## Location

InterContinental Hotel & Bank of America Conference Center  
9801 Carnegie Avenue  
Cleveland, OH 44106  
Phone: (877) 707-8999
