Miami CME Winter Series

Perioperative Medicine Summit March 4-6, 2010

OVERVIEW

Dr. Amir K. Jaffer and Dr. Franklin Michota, the founding Summit Directors, in collaboration with Dr. David Hepner, will direct the upcoming 5th Annual Perioperative Medicine Summit in Miami, Florida. The course is co-sponsored by the University of Miami Miller School of Medicine and the Cleveland Clinic in collaboration with the **Society for Perioperative Assessment and Quality Improvement (SPAQI)**.

The goal of the Summit is to enable clinicians who are actively engaged in perioperative medical care to incorporate the latest findings from clinical research into their practices so that they can improve the quality and safety of their medical care.

Evidence-based lectures will be supplemented by clinical cases and an Audience Response System will be used for exchange of information among faculty and attendees. A dedicated 15 minute Q&A session after each presentation has been a highlight of this Summit. In addition, clinical and lab research, innovations and clinical vignettes related to perioperative medicine will be selected for presentation.

TARGET AUDIENCE

Internists, hospitalists, family practitioners, anesthesiologists, physician assistants, certified nurse anesthetists, nurse practitioners and allied health professionals engaged in management of the perioperative patient.

OBJECTIVES

At the completion of the Summit, attendees will be able to:

- Utilize current guidelines and best practices to manage evidence-based perioperative medical care of surgical patients.
- Assess perioperative risk by incorporating the patient's history, exam, testing, algorithms and clinical prediction tools.
- Integrate cost-effective perioperative testing into practice.
- Identify and apply therapies that reduce the common postoperative complications.

ACCREDITATION

The University of Miami Leonard M. Miller School of Medicine is accredited by the ACCME to provide continuing medical education for physicians.

CREDIT DESIGNATION

The University of Miami Leonard M. Miller School of Medicine designates this educational activity for a maximum of **20.50 AMA PRA Category 1 Credits™**. Physicians should only claim credit commensurate with the extent of their participation in the activity.

DISCLOSURE AND CONFLICT OF INTEREST RESOLUTION

All conflicts of interest of any individual(s) in a position to control the content of this CME activity will be identified and resolved prior to this educational activity being provided. Disclosure about provider and faculty relationships, or the lack thereof, will be provided to learners.

SERVICES FOR THE DISABLED

Please contact the Division of CME prior to January 12, 2010 should you have any special needs that may require additional assistance. A conference staff member will contact you to discuss these special requirements.

REGISTRATION CANCELLATION POLICY

Refunds will be made only if written notice of cancellation is received prior to January 3, 2010. A \$75 fee is charged for all refunds. After this date, no refunds will be made. In cases where a course is cancelled due to insufficient registrations, a full tuition refund will be made.

Franklin A. Michota, Jr., MD
David L. Hepner, MD

7:30-8:00 am **Perioperative Management of Patients Sleep Apnea and Pulmonary Hypertension**
Shirin Shafazand, MD

8:00-8:15 am Questions and Answers

8:15-8:45 am **Preparing Rheumatologic Patients for Non-Cardiac Surgery**
Brian Mandell, MD, PhD

8:45-9:00 am Questions and Answers

9:00-9:45 am **Co-Management of the Cardiac Surgery Patient - From Admission to Discharge**
Panel Discussion:
Syeda Uzma Abbas, MD
Donald B. Williams, MD
Fahim A. Habib, MD

9:45-10:00 am Questions and Answers

10:00-10:30 am Break/Visit Exhibits

10:30-11:00 am **Challenging Perioperative Cases**
Steven L. Cohn, MD

11:00-11:15 am Questions and Answers

11:15-11:45 am **Medicolegal Issues in Perioperative Medicine: Lessons from Some Real Cases**
Franklin A. Michota, Jr., MD
Matthew J. Donnelly, Esquire

11:45-12:00 pm Questions and Answers

12:00-12:30 pm **Perioperative Anemia**
Ajay Kumar, MD

12:30-12:45 pm Questions and Answers

12:45-1:00 pm Concluding Remarks and Adjourn

PERIOPERATIVE MEDICINE SUMMIT 2010 HOTEL INFORMATION

The Eden Roc Hotel
4525 Collins Avenue
Miami Beach, FL 33140
Phone: 305-531-0000
Toll-free: 1-800-319-5354
<http://marriott.com/miasr>

SPECIAL CONFERENCE RATE:

A block of rooms has been reserved for conference participants at a discounted rate of **US \$279/night** + 13% tax/day. The rate is guaranteed only until **February 1, 2010**. The hotel extends the group rate 3 days pre and post conference dates based on availability. After February 1, 2010, reservation requests will be considered on a space-available basis.

RESERVATIONS:

Call 1-800-319-5354 or 305-531-0000 and reference UM Perioperative Medicine Summit. Individual guest room reservations may also be made on the hotel's reservations page:

CALL FOR ABSTRACTS

For abstract guidelines and submission go to: <http://www.med.miami.edu/med/education/cme/x39.xml>. Abstracts are invited for presentation at the Perioperative Medicine Summit being held in conjunction with the Society for Perioperative Medicine and Quality Improvement (SPAQI).

DEADLINE

Abstract submissions must be received no later than **December 15, 2009**. Submitting authors will be notified of acceptance or rejection by **January 11, 2010**.

SUBMISSION CATEGORIES

We welcome abstracts in the following categories:

RESEARCH IN PERIOPERATIVE MEDICINE

Submissions can report clinical and/or laboratory-based research or consist of a systematic review of a clinical problem. Research abstracts concerned with efficiency, cost, or medical decision-making are also encouraged.

Two awards (hotel and registration) will be given to students and residents whose abstract is accepted to the meeting.

Visit www.cme.med.miami.edu for more detailed information and instruction.

Ocean View from The Eden Roc

<http://www.marriott.com/miasr>. Enter the group code: **upmupma** to get the conference rate.

All reservations should be received by the hotel no later than **February 1, 2010**. All individual reservations must be accompanied by a first night room deposit or guaranteed with a major credit card. Hotel will not hold any reservations unless secured by one of the above methods.

INNOVATIONS IN PERIOPERATIVE MEDICINE

Authors who wish to describe an innovative program in perioperative medicine are encouraged to submit to this category. Innovations will primarily be descriptive, but they may also include preliminary data. A more rigorous evaluation of an innovative program should be submitted as a research abstract, rather than an innovation. For example, an innovation may describe a novel strategy for dissemination of practice guidelines, whereas a research abstract may analyze its impact on length of stay or post-operative morbidity or mortality.

PERIOPERATIVE CLINICAL VIGNETTES

A clinical vignette is a report of one or more cases that illustrates a new disease entity or prominent or unusual clinical feature of an established disease, highlights an area of clinical controversy in perioperative medicine, or illustrates a unique patient safety issue. It may include a summary of pertinent patient history, physical findings, laboratory data, or management description. It should be clear from the discussion of the abstract why the vignettes are appropriate for a perioperative medicine competition (versus general internal medicine, hospital medicine, or anesthesiology). Clinical vignettes will be judged on originality, organization, writing clarity, and relevance to perioperative medicine.
