Taxi service is available from Cleveland Hopkins
International Airport to the InterContinental
Hotel and Bank of America Conference Center
on the Cleveland Clinic Campus.

Accreditation

The Cleveland Clinic Foundation Center for
Continuing Education is accredited by the Ac-
creditation Council for Continuing Medical Edu-
cation (ACCME) to provide continuing medical
education for physicians.

The Cleveland Clinic Foundation Center for
Continuing Education designates this educa-
tional activity for a maximum of 16 *AMA PRA*
Category 1 Credits[™]. Physicians should only
claim credit commensurate with the extent of
their participation in the activity.

Participants claiming CME for this activity may
submit the credit hours to the American Osteo-
pathic Association Council on Continuing Medi-
cal Education for Category 2 credit.

Faculty Disclosure

The Cleveland Clinic Foundation Center for
Continuing Education has implemented a policy
to comply with the current Accreditation Council
for Continuing Medical Education Standards for
Commercial Support requiring resolution of all
faculty conflicts of interest. Faculty declaring a
relevant commercial interest will be identified in
the activity syllabus.

Americans with Disabilities Act

The Cleveland Clinic Foundation Center for
Continuing Education fully intends to comply
with the legal requirements of the Americans
with Disabilities Act. If you need assistance,
please call Nikki Williams, at least two weeks
prior to the activity.

4th Ambulatory Urology Symposium About the Course

Description

The purpose of this activity is to provide an update on the most current, state-of-the-art issues regarding ambulatory urology from both a practice and medical standpoint. The two-days of lectures will focus on everyday ambulatory urological issues, recognizing that the majority of most practicing urologists' workload is outside hospital-based care.

Objectives

After completing participation in this activity, the participant will be able to:

1. Integrate the evolving relationship of ambulatory urology to traditional hospital focused care.
2. Synthesize trends in urological practice from multiple viewpoints.
3. Analyze the best non-operative approaches to several urological conditions.
4. Discuss emerging technologies for the care of malignant and benign urological conditions.

Target Audience

Practicing urologists and other professionals interested in issues relating to ambulatory urology.

Bring along your nursing staff to the
6th Annual Urology/Gynecology Nursing Conference
which will be held on Saturday, April 24, 2010.

The Conference will be held in the Helen and Ronald
Ross Conference Room on the Main Campus of the
Cleveland Clinic.

For additional information, please contact:
Janet Ursinyi, 216-444-5537
or
Nancy May, 216-444-4101, mayn@ccf.org
