8th Annual Pediatric Neurology Update Seminar

Seminar Overview

Keeping abreast of medical advances is an increasingly difficult task for all of us. We therefore offer this Pediatric Neurology Update Seminar in an endeavor to provide a state-of-the art review of a number of common pediatric neurological disorders.

This year's course will focus on several pediatric neurological conditions including abnormalities of tone; partial seizures; current evaluation and management of status epilepticus in children; common and interesting neuro-ophthalmological problems in children; pediatric neurosurgical emergencies and a potpourri of interesting neurocutaneous syndromes, somatic malformations and cerebral palsy.

We have an outstanding panel of speakers this year that will provide you with new insights and understanding into common disease processes and their state-of-the-art care.

We look forward once again to having you take part this year in what promises to be a dynamic conversation and a fruitful learning experience.

A handwritten signature in black ink that reads "m. moodley". The signature is written in a cursive, lowercase style.

Manikum Moodley, MD, FRCP

Target Audience

The seminar is designed for physicians and other health care professionals in the areas of pediatrics, developmental pediatrics, pediatric neurology, neurology, family medicine and neuroscience.

Seminar Objectives

Upon completion of this activity, the participant will be able to:

1. Provide an overview of recent advances in the investigation and management of status epilepticus as well as its potential consequences for brain structure and function.
2. Describe the unique clinical semiology of childhood-onset partial seizures and its consequences on the developing brain.
3. Describe the physiology, differential diagnosis and systematic approach to the evaluation of the hypotonic child.
4. Discuss patients with interesting neurocutaneous syndromes, minor somatic malformations and cerebral palsy in the extremely premature infant.
5. Describe the clinical features, investigation and management of pediatric patients with neurosurgical emergencies.
6. Recognize salient ophthalmological manifestations of common pediatric neurological diseases and recognize indications for their referral.

Schedule of Events

Friday, September 3, 2010

7:30 - 8:15 a.m. **Registration and Coffee**
Lander Ballroom Foyer

8:15 - 8:30 a.m. **Welcome – Lander Ballroom**
Dr. Robert Wyllie

SESSION I

Moderator: *Dr. Elaine Wyllie*

8:30 - 9:30 a.m. **Current Evaluation and Management of Status Epilepticus in Children**
Dr. Michael Duchowny

9:30 - 10:00 a.m. **Ocular Manifestations of Selected Pediatric Neurological Disorders**
Dr. Elias Traboulsi

10:00 - 10:20 a.m. **Refreshment Break/Exhibits**

10:20 - 11:20 a.m. **Low Tone, No Tone and the Meaning of It All**
Dr. John Bodensteiner

11:20 - 11:50 a.m. **Question and Answer Session**
Drs. Duchowny, Traboulsi, Bodensteiner

11:50 - 1:00 p.m. **Lunch – Room on the Green**

SESSION II

Moderator: *Dr. A. David Rothner*

1:00 - 2:00 p.m. **Partial Seizures are Different in Childhood**
Dr. Michael Duchowny

2:00 - 2:30 p.m. **Pediatric Neurosurgical Emergencies**
Dr. Mark Luciano

2:30 - 2:50 p.m. **Refreshment Break/Exhibits**

2:50 - 3:50 p.m. **Instructive Cases in Pediatric Neurology: Neurocutaneous Syndromes, Somatic Malformations, Cerebral Palsy**
Dr. John Bodensteiner

3:50 - 4:20 p.m. **Question and Answer Session**
Drs. Duchowny, Luciano, Bodensteiner

4:20 p.m. **Adjourn**

Children's Hospital Cleveland Clinic

Cleveland Clinic Children's Hospital is backed by the full resources of the Cleveland Clinic, and offers full medical, surgical and rehabilitative care for infants, children and adolescents. Over 300 pediatric physicians accommodate 500,000 patient visits annually at our Main Campus, Shaker Campus, regional hospitals, family health centers and community offices. More than 80 pediatric physicians were recognized as being among the "Best Doctors in America," and in Cleveland Clinic Children's Hospital is consistently ranked among the "Best Children's Hospitals," as reported by *U.S. News and World Report*. Our pediatric neurology and neurosurgery program ranked as the best in Ohio and among the top 6 in the United States.

The multidisciplinary Neurological Institute includes more than 250 medical, surgical and research specialists dedicated to the diagnosis and treatment of adult and pediatric patients with neurological and psychiatric disorders. Our world-renowned pediatric neurology and neurosurgery staff oversee more than 10,000 patient visits for an array of neurological disorders.

As two of 26 institutes at Cleveland Clinic that group multiple specialties together to provide patient-centered care, the Pediatric and Neurological Institutes collaborate closely for care of children with neurological disorders.

Self parking is available at no charge.

Registration and Cancellation

Register at www.ccfme.org/PedNeuro10. Registration deadline is **5:00 pm (EST) Wednesday, September 1, 2010**. A request for a refund must be received in writing by August 20, 2010. No refunds will be given after August 10, 2010, but registration is transferable for this course only through September 3, 2010. A \$50 cancellation fee will be deducted from the refund for all cancellations.

If you register by mail, please allow up to three weeks for your registration to be processed.

For questions about registration, please call 216-448-0777 or email cmeregistration@ccf.org.

Accreditation

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this educational activity for a maximum of 6.25 *AMA PRA Category 1 Credits™*. Physicians should only claim credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association Council on Continuing Medical Education for Category 2 credit.

Faculty Disclosure Statement

The Cleveland Clinic Foundation Center for Continuing Education has implemented a policy to comply with the current Accreditation Council for Continuing Medical Education Standards for Commercial Support requiring resolution of all faculty conflicts of interest. Faculty declaring a relevant commercial interest will be identified in the activity syllabus.

Americans with Disabilities Act

The Cleveland Clinic Foundation Center for Continuing Education fully intends to comply with the legal requirements of the Americans with Disabilities Act. If you need assistance, please notify Brigid Ring at 216-445-0754 at least two weeks prior to the activity.
