

**A Case Based Approach to Mastering the Aortic Valve:
Imaging, Innovation, and Intervention
December 15-16, 2023**

Dear Potential Exhibitor:

On behalf of Cleveland Clinic's Heart, Vascular, and Thoracic Institute and Cleveland Clinic Center for Continuing Education, we invite you to exhibit during their upcoming CME, **A Case Based Approach to Mastering the Aortic Valve: Imaging, Innovation, and Intervention**.

The in-person symposium will take place at the InterContinental Barclay Hotel in New York City on December 15-16, 2023. We anticipate 100 participants.

There are two exhibit levels available – Platinum (\$10,000) and Gold (\$7500).

To view exhibit levels, promotional opportunities and to reserve your space please visit our website at: <https://www.clevelandclinicmeded.com/live/courses/aorticvalve/exhibit.asp>.

Aortic valve assessment, diagnosis, and treatment are rapidly evolving disciplines highlighted by innovations in techniques, devices, and imaging. These developments have altered the clinical practice framework for approaching aortic disease quantification and treatments resulting in some confusion regarding the best management strategies. Further, the volume and complexity of the published data make it difficult for busy practitioners to remain up to date on their knowledge and practice. This educational activity will provide key insights into how to achieve excellent outcomes through best practice management and the selection and execution of surgical and interventional techniques.

This course is intended for cardiothoracic surgeons, cardiologists, interventional cardiologists, internists, nurses, physician assistants, and all health care professionals involved in the evaluation, diagnosis and/or management of patients.

If you wish to participate, there are two payment options. Exhibitors may pay by credit card during registration, or choose to pay later by check. Checks should be made payable to **The Cleveland Clinic Educational Foundation** (Tax ID # 34-0714553) and mailed to:

Cleveland Clinic Educational Foundation
Attn: Nicci Astrop
PO Box 931653
Cleveland, Ohio 44195

Please feel free to contact me if you have questions, and thank you for your consideration.

Kindest regards,

Samantha Pringle
