3rd Annual Heart Rhythm Care in the 21st Century

An Inclusive Conference For All Healthcare Professionals Who Care For Patients With Heart Rhythm Disorders

Also available via Live Webcast

September 14 & 15, 2018
InterContinental Hotel, Cleveland, OH

www.cccfcmee.org/heart-rhythm
Join us at the 3rd Annual Heart Rhythm Care in the 21st Century Conference

Overview

Dear Colleague,

We are pleased to invite you to the 3rd Annual Heart Rhythm Care in the 21st Century Conference, September 14 – 15, 2018. Building on our past success and your thoughtful feedback, we are once again offering an update in heart rhythm care presented by highly regarded experts both here at Cleveland Clinic and beyond. This CME event will provide a complete overview of current trends, ideas and innovations in heart rhythm care. It is designed to provide comprehensive, quality education for all healthcare professionals who care for patients with heart rhythm disorders.

A core curriculum will be offered as well as concurrent workshops offering content specific to cardiac implantable electronic devices (CIEDs), EP lab, and pediatric arrhythmias. These workshops will be offered on Friday and repeated on Saturday to allow attendees to benefit from more than one workshop. Again this year, we are offering a heart dissection on Friday evening. This is a hands-on experience that will allow attendees to view the anatomic structures of the heart that impact electrophysiology. Additionally, to meet the expressed needs of our advanced device nurses, we have added a workshop on Saturday addressing advanced device programming.

Our hope is that you will make this a must attend conference in 2018.

Learning Objectives

Upon completion of this activity, the participant will be able to:

• Discuss appropriate indications and follow up of patients with cardiac implantable electronic devices
• Identify and analyze the latest scientific advances and innovations in the field of heart rhythm disorders
• Select appropriate, evidence-directed pharmacological and non-pharmacological therapies to achieve optimal outcomes for patients with heart rhythm disorders
• Describe the value of care coordination, interprofessional teams, and enhanced communication to optimize patient and family centered care

Target Audience

This conference is designed to meet the educational needs of all healthcare professionals who care for patients with heart rhythm disorders including internal medicine specialists, primary care providers, family physicians, cardiologists, residents and fellows, physician assistants, nurses, nurse practitioners, and technicians who are seeking a comprehensive review of electrophysiology and pacing.

Educational Methods

Cleveland Clinic Faculty*

Mike Adam, BSN, RN
Assistant Nurse Manager, Electrophysiology Lab

Peter Aziz, MD, FHRSA
Staff and Director, Pediatric Electrophysiology, Director, Inherited Arrhythmia Clinic

Cheryl Bell, BSN, RN
Assistant Nurse Manager, Electrophysiology Lab

Mandeep Bhargava, MD
Staff Physician, Electrophysiology and Pacing

Lon Castle, MD
Staff Physician, Electrophysiology and Pacing

Paul Egan, MA, BSN, RN, CCDS
Device Nurse, Electrophysiology and Pacing

Christine Tanaka-Esposito, MD
Staff Physician, Electrophysiology and Pacing

Carolyn Fisher, PhD
Staff, Center for Behavioral Health

Patricia Garrett, BSN, RN
Assistant Nurse Manager, Electrophysiology and Pacing

Maria Held, BSN, MSN, APRN, CNS
Clinical Nurse Specialist, Cardiovascular Medicine

Ayman Hussein, MD
Staff Physician, Electrophysiology and Pacing

Samuel Irefin, MD
Staff Physician, General Anesthesiology

Mohamed Kanj, MD
Staff Physician, Electrophysiology and Pacing, Associate Director, Electrophysiology Lab

Scott Kruchan, BSN, RN, CCDS
Assistant Nurse Manager, Electrophysiology and Pacing

Christina Magnelli-Reyes, BSN, RN
Registered Nurse, Electrophysiology and Pacing

David Martin, MD, MPH
Staff Physician, Electrophysiology and Pacing

Kenneth Mayuga, MD, FHRSA, FACC, FACP
Staff Physician, Electrophysiology and Pacing, Associate Director, Syncope Center

‘Kelly Melgun, BSN, RN
Nurse Manager, Electrophysiology Lab

Michael Militello, PharmD RPH, BCPS
Pharmacy Clinical Specialist, Department of Pharmacy

Laurie Ann Moennich, MPH, CPH
Research Coordinator III, HVI Research and Registries

Rita Newberg, BSN, MSN, APRN, CNP
Nurse Practitioner, Pediatric Electrophysiology

Dermot Phelan, MD, PhD
Staff Physician, Cardiovascular Medicine Director, Sports Cardiology Center

‘Stacy M. Poe, BSN, MSN, APRN, CNP
Manager, Electrophysiology and Pacing

Leopold Pozuelo, MD
Staff Physician, Section Head, Consultative-Liaison Psychiatry, Associate Director, Bakken Heart Brain Institute

John Rickard, MD, MPH
Staff Physician, Electrophysiology and Pacing

Elizabeth Saarel, MD, FHRSA
Staff and Chair, Pediatric Cardiology

Walid Saliba, MD, FHRSA
Staff Physician, Electrophysiology and Pacing, Director, Electrophysiology Lab

Sandra Smith, BSN, MSN, APRN, CNP
Nurse Practitioner, Electrophysiology and Pacing

‘Robert Struble, BSN, RN
Staff Nurse, Electrophysiology Lab

‘William Takacs, RN
Staff Nurse, Electrophysiology Lab

Khaldoun Tarakji, MD, MPH, FHRSA
Staff Physician, Director, Electrophysiology Outpatient Department

Patrick Tchou, MD
Staff Physician, Electrophysiology and Pacing

Oussama Wazni, MD, FHRSA
Staff Physician and Section Head, Electrophysiology and Pacing

Cyndi Yurkschatt RT (R), MRSO (MRSC™)
Imaging Education Specialist, MRI Department

Guest Faculty*

Matt Falkinburg, BSN, RN-BC
Cardiovascular Advanced Clinical Nurse, University Hospitals Cardiac Device Clinic, Harrington Heart & Vascular Institute, Cleveland, OH

Martha Ferrara, DNP, RN, CCDS, FHRSA
Assistant Director, Electrophysiology Services White Plains Hospital, NY

Angela Naperkowski, RN, CCDS, CEPS, FHRSA
Clinical Coordinator, Electrophysiology Labs Geisinger Heart Institute Wilkes-Barre, PA

Amanda Sowell, MSN, RN, CCDS
Advanced Cardiac Device Nurse Sanger Heart & Vascular Institute, Charlotte, NC

Sarah Worsnick, PA-C, CCDS, CEPS, FHRSA
Physician Assistant, Geisinger Heart Institute, Wilkes-Barre, PA

Faculty Disclosure*

The Cleveland Clinic Foundation Center for Continuing Education has implemented a policy to comply with the current Accreditation Council for Continuing Medical Education Standards for Commercial Support requiring resolution of all faculty conflicts of interest. Faculty declaring a relevant commercial interest will be identified in the activity syllabus.
General Information

Location: The InterContinental Hotel and Bank of America Conference Center, 9801 Carnegie Avenue, Cleveland, OH 44106.

Hotel Accommodations: A limited block of rooms has been reserved at the InterContinental Hotel, 9801 Carnegie Avenue. Guests will make individual reservations directly with Hotel Reservations no later than 5:00 PM (Eastern Time), August 13, 2018, by calling toll free (855) 765-8709. Mention CCF Heart and Vascular Institute, to receive the special rate of $159.00 per night, plus tax.

Parking: Parking is available in the East 100th Street / Carnegie Avenue visitor’s parking garage. Cleveland Clinic main campus caregivers are expected to park in their assigned parking location.

Registration: The general registration deadline is August 24, 2018. After August 24, a $25.00 fee will be added to all registrations. Registration is online at www.ccfcmce.org/heart-rhythm.

<table>
<thead>

A $25 fee will be assessed on all registrations after August 24, 2018

The registration fee includes attendance to the conference, a course booklet, participation in the heart dissection and ablation lab, afternoon refreshments on Friday, continental breakfast, mid-morning and afternoon refreshments, and lunch on Saturday, and a credit certificate.

If you are unable to travel to Cleveland, a live webcast of the conference will be offered. Registration fees are the same as those listed above. Select this option upon registration.

Cancellation and Refund Policy

In case of cancellation, a full refund will be made if canceled by August 14, 2018. After August 14, 2018, a $50 cancellation fee will be deducted from your refund. Written notification of your cancellation is required in order to process your refund. NO REFUNDS WILL BE ISSUED AFTER September 1, 2018.

For questions about registering online, call 216.448.8710 or email cmeregistration@ccf.org

Cleveland Clinic Center for Continuing Education reserves the right to cancel or postpone activity in our sole discretion. In the unlikely event that this occurs, any registration fee(s) paid will be refunded. Be advised that Cleveland Clinic is not responsible for related costs including airline tickets, hotel costs, or any similar fee penalties incurred as a result of any trip cancellations or changes.

Americans with Disabilities Act The Cleveland Clinic Foundation fully intends to comply with the legal requirements of the Americans with Disabilities Act. If you need assistance, please notify Ruth Madden at 216-444-6959 at least two weeks prior to the conference.

Accreditation Statement

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this live activity for a maximum of 12.0 AMA PRA Category 1 Credits ™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association for Category 2 credit.

The Ohio Board of Nursing will accept at face value the number of contact hours awarded for an educational activity that has been approved for CE by a nationally accredited system of CE approval. Nurses are able to obtain CE that has been approved or provided by a nationally recognized accreditation system of continuing education. Examples include the ACCME.

For Additional Information For further information about the conference, contact Ruth Madden at 216-444-6959.
