Advances in the Multidisciplinary Management of Lung Cancer: From Screening to Immunotherapy

Saturday, April 22, 2017

InterContinental Hotel & Bank of America Conference Center
9801 Carnegie Avenue
Cleveland, OH

www.cccfme.org/lungcancer17
About the Course

This one-day course will provide a topical, clinically based overview of current issues in the multidisciplinary management of lung cancer, with an emphasis on recent advances and possible upcoming changes in standards of care.

Medical oncologists, radiation oncologists, pulmonologists, thoracic surgeons, physician assistants, nurses, and other health care providers with an interest in the management of lung cancer patients are encouraged to attend.

Learning Objectives

1. Describe the role of low dose CT scans in screening high-risk individuals for lung cancer.
2. Discuss the options for treatment in patients with medically high risk, early stage non-small cell lung cancer (NSCLC).
3. Recognize current recommendations for routine molecular testing of patients with NSCLC, and the use of molecularly targeted therapies for defined subgroups of patients.
4. Describe recommendations for the use of immune checkpoint inhibitors in the treatment of NSCLC patients, including the use of biomarkers to guide therapy.

Program Location

InterContinental Hotel and Conference Center
9801 Carnegie Avenue
Cleveland, Ohio  44106
Phone: 877.707.8999
Accreditation

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this live activity for a maximum of 6.50 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association for Category 2 credit.

The Ohio Board of Nursing will accept at face value the number of contact hours awarded for an educational activity that has been approved for CE by a nationally accredited system of CE approval.

Nurses are able to obtain CE that has been approved or provided by a nationally recognized accreditation system of continuing education.

Examples include:
- The American Nurses Credentialing Center (ANCC)
- The Accreditation Council for Continuing Medical Education (ACCME)
- The International Association for Continuing Education and Training (IACET)

Faculty Disclosure

The Cleveland Clinic Foundation Center for Continuing Education has implemented a policy to comply with the current Accreditation Council for Continuing Medical Education Standards for Commercial Support requiring resolution of all faculty conflicts of interest. Faculty declaring a relevant commercial interest will be identified in the activity syllabus.

Department of Thoracic and Cardiothoracic Surgery

Nathan Pennell, MD
Department of Hematology/Oncology

Gregory Videtic, MD
Department of Radiation Oncology

Cleveland Clinic Faculty

Usman Ahmad, MD
Department of Thoracic and Cardiothoracic Surgery

Francisco Almeida, MD
Department of Pulmonary Medicine

Humberto Choi, MD
Department of Pulmonary Medicine

Louis Lam, MD
Department of Pulmonary Medicine

Joel Marcus, PsyD
Taussig Cancer Institute

Siva Raja, MD
Department of Thoracic and Cardiothoracic Surgery

Daniel Raymond, MD
Department of Thoracic and Cardiothoracic Surgery

Marc Shapiro, MD
Department of Hematology/Oncology

Kevin Stephans, MD
Department of Radiation Oncology

James Stevenson, MD
Department of Hematology/Oncology

Vamsidhar Velcheti, MD
Department of Hematology/Oncology
Agenda

April 22, 2017
InterContinental Hotel and Conference Center

7:30 am  Registration and Continental Breakfast
7:50 am  Introduction and Welcome

8:00 am  Screening, Nodule Management, and Staging
Lung Cancer Screening in 2017 – Peter Mazzone, MD
Management of Pulmonary Nodules in the At-risk Patient – Humberto Choi, MD
Review and Update of Staging for Lung Cancer – Francisco Almeida, MD

9:00 am  Management of Early Stage NSCLC
Preoperative Evaluation of the High Risk Lung Cancer Patient – Louis Lam, MD
Quality of Care Matters in Surgical Management of Lung Cancer – Daniel Raymond, MD

Pro-Con:
SBRT should be the new Standard of Care for High Risk Early Stage NSCLC – Kevin Stephans, MD
Surgery Remains the Gold Standard for Operable Early Stage NSCLC – Sudish Murthy, MD, PhD

10:30 am  Break

10:45 am  Locally Advanced Thoracic Cancer
Updates in the Treatment of Stage 3 Non-small Cell Lung Cancer – Gregory Videtic, MD
What Role Does Surgery Play in Stage 3 NSCLC? Hindsight is 20:20 – Usman Ahmad, MD
Management of Esophageal Cancer – Siva Raja, MD

12:1:00 pm  Lunch and Tour of the new Cancer Building.
Speakers will be available at lunch to sit and review cases or answer questions.

1:30 pm  The Changing Landscape of Treatment for Advanced Lung Cancer
Molecular Testing and Targeted Therapy in NSCLC – Nathan Pennell, MD
The Role of Immune Checkpoint Inhibitors in Lung Cancer – Vamsidhar Velcheti, MD
Treating the Pan-Negative Patient with Advanced NSCLC – Marc Shapiro, MD
New Hope in the Treatment of Pleural Mesothelioma – James Stevenson, MD
Psychosocial Oncology: The Changing face of Thoracic Oncology – Joel Marcus, PsyD

4:00 pm  Conference Adjourns. Tour of Cancer Building available.

Time for questions and answers are included in each presentation.
Advances in the Multidisciplinary Management of Lung Cancer: From Screening to Immunotherapy

April 22, 2017

InterContinental Hotel and Conference Center
9801 Carnegie Avenue
Cleveland Ohio

Course includes syllabus, continental breakfast, lunch, and breaks.

Seating is Limited!

☐ Physician No Charge
☐ Resident/Fellow No Charge
☐ Non-Physician No Charge
☐ Corporate $75
