Join us at the 2017 Cleveland Clinic
Parathyroid and Thyroid Conference

OVERVIEW

This one-day course will highlight recent advances in the management of thyroid and parathyroid diseases. New multidisciplinary guidelines for patient management are issued annually on diverse topics in the treatment of thyroid and parathyroid disorders. Now more than ever, innovations in diagnostic tests, therapies, and surgical technologies are influencing care options for patients. The format of the course is designated to address the key concepts of these advancements through lectures, panel discussions, and a special keynote address. Ample time will be allotted for participation by the audience with questions and answer sessions.

Cleveland and Northeastern Ohio are home to a large population affected by thyroid and parathyroid diseases. The Cleveland Clinic was established by George Crile, a surgeon, who pioneered the care of thyroid diseases in the early 20th century.

BY ATTENDING YOU WILL BE ABLE TO:

- Review old and new treatments of hypo- and hyperparathyroidism.
- Discuss guidelines for treating bone changes associated with parathyroid disease.
- Describe the surgical management of renal hyperparathyroidism.
- Provide options for parathyroid imaging.
- Define best practice approach to thyroid disease in pregnancy.
- Describe the new NIFTP category.
- Summarize the new guidelines on the management of thyroid diseases.

WHO SHOULD ATTEND

The course is designed for a multidisciplinary audience. Physicians, nurses, residents, fellows, and other health care professionals in primary care as well as other specialties such as Endocrinology, Surgery, Pathology, Nuclear Medicine, Urology, Nephrology, Immunology, Rheumatology, and Women’s Health are invited to attend.

Co-Directors

Joyce Shin, MD, FACS
Assistant Professor of Surgery, Surgical Director
Thyroid Center, Endocrine Surgery

Christian Nasr, MD
Director - Fellowship Program, Medical Director
Thyroid Center, Endocrinology
Keynote Speaker | Marcella D. Walker, MD.

Dr. Walker is an Assistant Professor of Clinical Medicine at the College of Physicians and Surgeons, Columbia University in the Division of Endocrinology. Dr. Walker received her undergraduate training at Wesleyan University (Middletown, CT) and her medical training at the Johns Hopkins University School of Medicine in Baltimore, Maryland. She completed her internship and residency in Internal Medicine at the Johns Hopkins Hospital in 2002 and went on to complete a 3-year fellowship training program in Endocrinology, Diabetes and Metabolism at the College of Physicians and Surgeons, Columbia University. Dr. Walker joined the faculty at the College of Physicians and Surgeons in 2005. Dr. Walker also completed a Masters Degree in Biostatistics and Patient-Oriented Research at the Mailman School of Public Health, Columbia University in 2009.

Dr. Walker is board-certified in Internal Medicine and Endocrinology and is an International Society for Clinical Densitometry-certified Clinical Densitometrist. Dr. Walker’s clinical activities involve seeing patients in the Metabolic Bone Diseases Unit at Columbia with a variety of disorders including postmenopausal and glucocorticoid-induced osteoporosis, idiopathic osteoporosis, hyper- and hypoparathyroidism, Paget’s disease, fibrous dysplasia, osteomalacia and osteopetrosis.

Dr. Walker also has academic responsibilities which include teaching endocrine pathophysiology to first year medical students and serving as a preceptor for 3rd year medical students during their medicine Clerkship. Additionally, Dr. Walker attends on the inpatient Internal Medicine and Endocrinology consult services with residents and fellows.
Agenda

Saturday, May 13, 2017

Registration & Continental Breakfast

Welcome and Introduction

**MORNING SESSION**
Moderated by Joyce Shin, M.D.

8:10 AM
Clinical Guidelines for Monitoring/Treating Bone Changes in Patients with Parathyroid Disease
Angelo Licata, M.D., Ph.D.

8:40 AM
Treatments for Hypoparathyroidism
Leila Khan, M.D.

9:10 AM
Renal Hyperparathyroidism, the Surgical Management
Judy Jin, M.D.

9:40 AM
Break and Visit with Exhibitors

10:00 AM
Parathyroid Imaging
Donald Neumann, M.D., Ph.D.

10:30 AM
**Keynote Address:**
Primary Hyperparathyroidism in the Modern Era: Medical Treatment
Marcella Walker, M.D.
(introduced by Leila Khan, M.D.)

11:30 AM
Lunch and Visit with Exhibitors

**AFTERNOON SESSION**
Moderated by Christian Nasr, M.D.

12:20 PM
Distinguished Historical Lecture:
An Indian Rhinoceros, a Young Swedish Medical Student: A Parathyroid Story
Allan Siperstein, M.D.

1:00 PM
Thyroid Disease in Pregnancy
Leann Olansky, M.D.

1:30 PM
NIFTP Classification and Impact on Pre-operative Diagnosis and Management
Tarik Elsheikh, M.D.

2:00 PM
Break and Visit with Exhibitors

2:20 PM
Update on Expert Consensus Guidelines on Thyroid Diseases
Vikram Krishnamurthy, M.D.

2:50 PM
**PANEL Discussion:**
Moderator: Christian Nasr, M.D.
Panelists: Leila Khan, M.D.
Vikram Krishnamurthy, M.D.
Leann Olansky, M.D.
Allan Siperstein, M.D.
Marcella Walker, M.D.

4:30 PM
Adjourn
General Information

Location: Cleveland Clinic Lerner College of Medicine
NA5-08 Auditorium and Conference Wing
Carnegie Avenue and East 100th Street

Accreditation

The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this live activity for a maximum of 7.0 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association for Category 2 credit.

Other Health Care Professionals: A certificate of attendance will be provided to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.

Faculty Disclosure

The Cleveland Clinic Foundation Center for Continuing Education has implemented a policy to comply with the current Accreditation Council for Continuing Medical Education Standards for Commercial Support requiring resolution of all faculty conflicts of interest. Faculty declaring a relevant commercial interest will be identified in the activity syllabus.

Americans with Disabilities Act

The Cleveland Clinic Foundation Center for Continuing Education fully intends to comply with the legal requirements of the Americans with Disabilities Act. If you need assistance, please notify Natalie Gillespie at 216.445.5611 at least two weeks prior to the activity.

For further information, contact Natalie Gillespie, 216.445.5611, gillesn@ccf.org or check our website for details: www.ccfcme.org/parathyroid
