PATIENT ADHERENCE: BARRIERS & BEST PRACTICES

Partnership for
Adherence through
Collaborative
Education

November 14, 2011

8:30 a.m. – 4:30 p.m. at The Blackwell Inn , Columbus, Ohio

**Making the diagnosis is the start.
Managing the disease is the journey.**

Throughout Ohio, medical professionals, government officials, insurers, healthcare organizations, universities and patients are working to improve healthcare. No one group can do it alone. As the spotlight focuses on patient-centered care, we must identify how we can facilitate patient adherence as a path toward better health.

On **November 14, 2011** join healthcare educators and other professionals as we explore the factors influencing adherence.

- Learn from experts about patient adherence in Ohio.
- Learn more about the link between health literacy and patient adherence.
- Share with other educators strategies that work to improve adherence.
- Consider and develop educational strategies that can be implemented in local clinics, hospitals and medical schools.
- Review projects awarded nearly \$300,000 in block grants last year, with presentations from some of the winners.

The 2011-12 Adherence Block Grant application window opens at this Summit. Staff will be on hand to answer questions. Priority in the block grant process will be given to attendees.

Summit Details:

This Summit is designed for health care educators and those who support education as an agent for health care transformation.

The Summit will take place at The Blackwell Inn located on the campus of the Ohio State University. Continental breakfast begins at 8:00 am with the formal program beginning at 9. Sessions will conclude by 4:30 pm.

To register for this event visit the Ohio Partnership for Adherence through Collaborative Education website

www.cfcme.org/OhioPACE.

There is a \$25 registration fee, which includes Continental breakfast, lunch and breaks. If you must cancel, your registration fee is non-refundable, but may be transferred to another attendee of your choice.

Together we can make a difference

REGISTRATION NOW AVAILABLE

Questions: visit www.ccfme.org/OhioPACE or call toll free 800-274-8263.

Parking is available in the garage across from the Blackwell for a nominal fee. A limited number of rooms have been reserved nearby at the Hilton Garden Inn for Sunday night. Call the Hilton Garden Inn at 614-263-7200 and mention OhioPACE, or reserve a room online through the OhioPACE website

This summit is planned and executed by:

Case Western Reserve University
School of Medicine

Cleveland Clinic

Northeast Ohio Medical University

The Ohio State University
Medical Center

Ohio University College of
Osteopathic Medicine

University of Cincinnati

The University of Toledo

Wright State University Boonshoft
School of Medicine

Summit highlights:

Keynote **Ted Wymyslo, MD**, Director of the Ohio Department of Health, is a family physician, administrator and educator who has championed the Patient Centered Medical Home initiative. He will speak to us about Ohio health challenges, adherence issues, and other important initiatives for Ohio healthcare providers and educators.

Sandra Cornett, RN, PhD, is the Director of the AHEC Clear Health Communication program at The Ohio State University College of Medicine, Office of Outreach and Engagement. In her efforts to improve health literacy in the Columbus area and throughout the State of Ohio, she is involved with training health professionals, consultative services and research. Dr. Cornett will discuss the relationship between health literacy and patient adherence.
