X-Linked Hypophosphatemia (XLH) Unveiled: A Guide to Diagnosis and Management - Focus: Pediatric Endocrinology

Joshua H. Yang, MD
Chief of Pediatric Endocrinology
Orlando Health Arnold Palmer
Hospital for Children
Orlando, FL

Tuesday, September 1, 2026
12:00 PM EST

Ritz Carlton Cleveland
1515 West Third Street
Cleveland, OH 44113

Eligible speaker program attendees shall be only Healthcare Professionals (HCPs) in the relevant therapeutic area or non-HCPs with a legitimate business or clinical interest in the program. Guests, including spouses, partners, and family members of attendees and speakers, are not invited and may not attend the program or accompanying meal unless independently qualified to attend. Also, in accordance with federal and state transparency laws, Kyowa Kirin reports payments and transfers of value (e.g., meals provided at speaker programs) provided to healthcare professionals to the appropriate state and federal government agencies.

This program/event is developed and offered by Kyowa Kirin, Inc. The HCP presenter is a paid Speaker on behalf of Kyowa Kirin. This is not an official program/event of the Cleveland Clinic.
