

Innovations in Heart Valve Reconstruction: A Master Class
8th Annual Advances in Congenital Heart Disease Summit
February 22-24, 2024

Dear Potential Exhibitor:

On behalf of Cleveland Clinic Heart, Vascular, and Thoracic Institute, Cleveland Clinic Children's, Akron Children's Hospital, and Cleveland Clinic Center for Continuing Education, we invite you to exhibit during the upcoming CME, **Innovations in Heart Valve Reconstruction: A Master Class – 8th Annual Advances in Congenital Heart Disease Summit**. The in-person symposium will be held at *Disney's Contemporary* in Lake Buena Vista, FL, on February 22-24, 2024. More than 120 participants and faculty are anticipated to attend.

There are three exhibit levels available – Platinum (\$10,000), Gold (\$7,500) and Silver (\$5,000). Additional promotional opportunities are available.

To view exhibit levels, promotional opportunities and to reserve your space please visit our website at: <https://www.clevelandclinicmeded.com/live/courses/congenital/exhibit.asp>

This activity is designed to improve participants' competence and clinical practice to diagnose and select appropriate treatment strategies for pediatric and adult patients with congenital heart defects. This includes improving their competence in selecting the most appropriate diagnostic modalities and treatment plans, including surgical approaches. These changes in competence and clinical practice will result in better outcomes for these patients.

The Summit is targeted to cardiothoracic surgeons, pediatric cardiologists, pediatricians, anesthesiologists, critical care physicians, and other health care professionals interested in congenital heart disease.

If you wish to participate, there are two payment options. Exhibitors may pay by credit card while registering on the website or choose to pay later by check. If you choose the later, checks should be made payable to **The Cleveland Clinic Educational Foundation**, (Tax ID # 34-0714553) and mailed to:
