Dear Prospective Exhibitor,

We are very excited to invite you to participate in the **1st Cardiovascular Symposium of the Treasure Coast**, a premier one-day educational event bringing world-class cardiovascular expertise to our local community. The program will be held at Grand Harbor Golf and Beach Club, in Vero Beach, Florida, on September 19, 2026.

This dynamic symposium will cover a broad spectrum of timely and clinically relevant topics, ranging from cardiovascular prevention, coronary artery disease, and heart failure to the most advanced transcatheter and open-heart procedures. Attendees will gain practical insights grounded in evidence-based medicine and the latest clinical guidelines, with a focus on improving patient care and outcomes.

The program features an outstanding faculty of locally based and nationally recognized physicians, offering participants the opportunity to learn directly from leaders in cardiovascular medicine. The symposium is designed for general cardiologists, as well as internal medicine and family medicine practitioners, and will be held in Vero Beach, providing an accessible and high-quality educational experience for clinicians in the Treasure Coast region.

We are hopeful you will support this year's symposium, and we look forward to hearing from you soon regarding your level of interest. Please feel free to contact us if you have any questions or require additional information.

Sincerely,
