

HIDING IN PLAIN SIGHT: INBORN ERRORS OF IMMUNITY (IEIs)

Join us for a presentation by a leading physician with experience in complex IEIs (also known as primary immunodeficiencies), such as APDS

PRESENTED BY:

Jolan E. Walter, MD, PhD

Associate Professor, University of South Florida
Children's Research Institute
St. Petersburg, FL

DISCUSSION TOPICS:

- When are recurrent or recalcitrant manifestations actually IEIs/PIs?
- How to identify IEIs/PIs, such as APDS
- Importance of genetic testing
- Understanding the patient journey with complex PIs also known as IEIs such as APDS

APDS, activated PI3K delta syndrome; **IEIs**, inborn errors of immunity also known as **PIs**, primary immunodeficiencies.
