CME ACCREDITED
Dear Colleague,

Thank you for your interest in the Cleveland Clinic’s 29th Annual Intensive Review of Internal Medicine. We are committed to making this the finest available comprehensive review of internal medicine for physicians preparing for board certification or recertification and for physicians desiring a review of state-of-the-art developments in internal medicine.

The symposium will be conducted by distinguished members of the Cleveland Clinic staff and eminent visiting lecturers who are renowned in their fields of interest.

The symposium has been updated to reflect new developments in the field and incorporates suggestions from prior symposium participants. It will again feature an interactive, computerized audience response system, which will be employed to facilitate audience participation in most lectures.

Topics will cover current concepts and board-related issues using an organ system approach with emphasis placed on relevant clinical information. Lectures will be supplemented by board simulation sessions integrating relevant clinical cases, pathology, and imaging studies.

You will find our comprehensive review of internal medicine to be an outstanding educational experience. If you have any questions regarding the symposium, please contact us directly at the Cleveland Clinic. We will be happy to help.

Sincerely yours,

James K. Stoller, MD, MS
Rendell Ashton, MD
Adarsh Bhimraj, MD

Who Should Attend

- Physicians preparing for Internal Medicine Board Certification or recertification
- Physicians desiring a review of state-of-the-art developments in internal medicine

By Attending You Will Be Able To:

- Review advances in internal medicine and discuss their clinical implications
- Review essential concepts to prepare for the Internal Medicine Board Certification Examination
- Assess areas of relative personal strength in internal medicine
- Acquire enhanced test-taking skills using an interactive system of board simulation

Symposium Directors

**James K. Stoller, MD, MS**
Chairman, Education Institute
Jean Wall Bennett Professor of Medicine
Cleveland Clinic Lerner College of Medicine of Case Western Reserve University
Respiratory Institute
Cleveland Clinic

**Rendell Ashton, MD**
Departments of Critical Care and Pulmonary Medicine

Cleveland Clinic

Comments from Past Attendees

“This was a comprehensive survey of Internal Medicine.”

“It provided enlightenment on areas that I needed to focus on for the boards.”

“Faculty taught with the latest technology and evidence.”

“This was an excellent program. The speakers were very knowledgeable and the information provided online and within the book is very helpful.”
Lectures presented by Cleveland Clinic Professional Staff and Visiting Lecturers

Symposium Schedule

Sunday, June 4, 2017

- Multidisciplinary Topics and Selected Board Simulations
  - Board Simulation in Health Screening
  - Board Simulation in Gastroenterology
  - Hyperlipidemia, Risk Factors, and Coronary Artery Disease Prevention
  - Medical Management of the Pregnant Patient
  - Board Simulation in Hematology: Cellular Morphology
  - Board Simulation in Biostatistics
  - Board Simulation in Pulmonary Medicine I
  - Board Simulation in Endocrinology
  - Update in Perioperative Medicine
  - Board Simulation in Neurology
  - Board Simulation in Genetics
  - Board Simulation in Dermatology
  - Strategies for Taking the Boards

Monday, June 5, 2017

- Cardiology
  - Board Simulation in Cardiology
  - STEMI
  - N-STEMI - ACS
  - Management of Stable Coronary Artery Disease
  - Aortic Stenosis and Regurgitation
  - Mitral Stenosis and Mitral Regurgitation
  - Basic EKG for the Boards

- Infectious Disease
  - HIV Infection and AIDS
  - Common Ambulatory Infections
  - Endocarditis and Vascular Device Infections
  - Sexually Transmitted Diseases
  - Skin Infections and Mimics
  - Board Simulation in Infectious Disease
  - Selection and Management of Antimicrobial Therapy
  - Neurologic Infections
  - Mycobacterial Infections

Tuesday, June 6, 2017

- Rheumatology
  - Monoarticular Arthritis
  - Chronic Arthritis: Diagnosis and Treatment
  - Systemic Autoimmune Disorders
  - Systemic Vasculitis

- Pulmonary and Critical Care Medicine
  - Board Simulation in Pulmonary Medicine
  - Interstitial Lung Disease
  - Deep Venous Thrombophlebitis and Pulmonary Embolism
  - Chronic Obstructive Lung Disease
  - Board Simulation in Occupational Medicine
  - Pleural Disease
  - Lung Cancer
  - Asthma
  - Board Simulation in Critical Care Medicine

Wednesday, June 7, 2017

- Endocrinology
  - Hyper and Hypocalcemia and Osteoporosis Evaluation and Treatment
  - Androgenic and Reproductive Disorders
  - Diabetes Mellitus: Mini-Board Simulation
  - Thyroid Disorders
  - Pituitary Disorders: Mini-Board Simulation
  - Adrenal Disorders: Mini-Board Simulation

- Gastroenterology
  - Esophageal Diseases
  - Colon Cancer
  - Diarrhea and Malabsorption
  - Inflammatory Bowel Disease
  - Pancreatic Diseases
  - Liver Diseases
  - Board Simulation in Hepatology

Thursday, June 8, 2017

- Hematology and Medical Oncology
  - Genitourinary Malignancies – Female
  - Breast Cancer
  - Anemia
  - Bleeding Disorders and Platelet Disorders
  - Genitourinary Malignancies – Male
  - Leukemias
  - Palliative Medicine
  - Oncologic Emergencies
  - Lymphomas

- Nephrology and Hypertension
  - Chronic Kidney Disease: Assessment and Treatment
  - Acute Kidney Injury: Diagnosis and Treatment
  - Hallmarks of Essential and Secondary Hypertension
  - Acid-Base Disorders in Medicine
  - Critical Fluid and Electrolyte Abnormalities in Clinical Practice

Friday, June 9, 2017

- Cardiology
  - Atrial Fibrillation and Other Supra Ventricular Tachycardias
  - Ventricular Tachycardia and Sudden Cardiac Death
  - Congenital Heart Disease
  - Congestive Heart Failure
  - Cardiomyopathies
  - Preoperative Cardiac Testing
  - Board Simulation in Cardiology

- Selected Topics
  - Board Simulation in Women’s Health
  - Board Simulation in Geriatrics
  - Board Simulation in Nephrology
  - Board Simulation in General Rheumatology
  - Board Simulation in Hematology/Oncology
  - Board Simulation in Office Orthopaedics

Topics subject to change.

Information
For further information about this symposium, faculty disclosure, and Americans with Disabilities Act, contact the Cleveland Clinic Center for Continuing Education:

Local: 216.444.9990
Website: ccfcme.org/GoIRIM

Accreditation
The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this live activity for a maximum of 49 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association for Category 2 credit.

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

Successful completion of this CME activity enables the participant to earn up to 49 MOC points in the American Board of Internal Medicine’s (ABIM) Maintenance of Certification (MOC) program. Participants will earn MOC points equivalent to the amount of CME credits claimed for the activity. It is the CME activity provider’s responsibility to submit participant completion information to ACCME for the purpose of granting ABIM MOC points.

Other Health Care Professionals
A certificate of attendance will be provided to other health care professionals for requesting credits in accordance with state nursing boards, specialty societies, or other professional associations.
