You Don’t Want to Miss This Activity

Cardiovascular medicine is a rapidly evolving discipline. The depth and complexity of the data being generated make it difficult for practitioners to remain up to date in subspecialty areas and for subspecialists to remain knowledgeable in areas outside their subspecialty. This is especially challenging for primary care practitioners given that they are the initial contact for a wide array of disease states, and that they must be competent to recognize and treat them, including CV disease.

By Attending, You Will Be Able To:

• Summarize the evidence base and rationale for revised hypertension and lipid management guidelines and describe their clinical implications
• Select the appropriate tests to order for a preoperative evaluation before noncardiac surgery
• Recognize office-based EKG findings that indicate potential CV disease and when to refer for CV consult
• Identify the optimal management strategies for outpatients with either systolic or diastolic congestive heart failure
• Define the management of patent foramen oval, transient ischemic attack, or stroke
• Differentiate between symptoms of aortic stenosis and mitral regurgitation that indicate treatment or referral
• Identify the patient populations and timing factors for peripheral vascular disease screening
• Discuss the pros and cons for bacterial endocarditis prophylaxis

Who Should Attend?

Primary care physician, cardiologists, and all other health care professionals with an interest in cardiology.

Activity Co-Directors

Curtis Rimmerman, MD, MBA, FACC
Gus P. Karos Chair
Clinical Cardiovascular Medicine
Heart and Vascular Institute
Cleveland Clinic

Mahesh Manne, MD
Staff, Internal Medicine

Agenda

Friday, October 24, 2014

7:15 am  Registration, Continental Breakfast, and Exhibits

8:00 am  Welcome and Introduction  
  Curtis Rimmerman, MD

8:05 am  Hypertension Management 2014  
  Review of JNC 8 Guidelines, Updates, and Controversies  
  George Thomas, MD

8:45 am  Aortic Stenosis and Mitral Regurgitation: Medical Management and  
  When to Refer  
  Venugopal Menon, MD

9:30 am  Bacterial Endocarditis Prophylaxis – Is it Still Necessary?  
  Thomas Fraser, MD

10:00 am  Refreshment Break and Exhibits

10:15 am  Heart Palpitations – How to Approach, When to Refer?  
  Mohamed Kanj, MD

10:45 am  Office-based EKG Findings Not to be Missed: Emphasis on Incidentally  
  Discovered Ventricular Pre-excitation/Wolfe-Parkinson White Syndrome –  
  Should All be Referred?  
  Bryan Baranowski, MD

11:15 am  Electrophysiology Case Study Panel Discussion  
  Mohammed Kanj, MD, and Bryan Baranowski, MD

11:45 am  Patent Foramen Ovale, Transient Ischemic Attack, and Stroke – What Next?  
  Amar Krishnaswamy, MD

12:15 pm  Lunch and Exhibits

1:00 pm  Outpatient Optimization of the Systolic Congestive Heart Failure Patient  
  Robert Hobbs, MD

1:30 pm  Outpatient Optimization of the Diastolic Congestive Heart Failure Patient  
  Miriam Jacob, MD

2:00 pm  Congestive Heart Failure Case Studies  
  Robert Hobbs, MD, and Miriam Jacobs, MD

2:20 pm  Lipid Management – 2013 ACC/AHA Guidelines – What’s the Impact?  
  Michael Rocco, MD

3:00 pm  Refreshment Break and Exhibits

3:15 pm  Peripheral Vascular Disease Screening – Who, When, and How?  
  Esther Kim, MD

4:00 pm  Preoperative Evaluation for Non-cardiac Surgery – Which Patients and  
  What Tests?  
  Ajay Bhargava, MD

4:30 pm  Adjourn
General Information

Location
Cleveland Clinic Administrative Campus
3175 Science Park Drive, Building #4
Beachwood, OH

Parking
Complimentary parking is provided.

Information
For further information about this activity, contact the Cleveland Clinic Center for Continuing Education.
Local: 216.448.0770
Toll Free: 800.238.6750
Website: ccfme.org/GoOutpatientCardio

Registration and Cancellation
Preregistrations are accepted until 2:00 pm ET October 22, 2014. Register on site after this date. In case of cancellation, a full refund will be made if canceled by October 17, 2014. After October 17, 2014, a $50 cancellation fee will be deducted from your refund upon written notification of your cancellation. NO REFUNDS WILL BE ISSUED AFTER November 30, 2014.
For questions about registration, email us at cmeregistration@ccf.org or call 216.448.0777.

Accreditation
The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
The Cleveland Clinic Foundation Center for Continuing Education designates this live activity for a maximum of 7.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association for Category 2 credit.
The Ohio Board of Nursing will accept at face value the number of contact hours awarded for an educational activity that has been approved for CE by a nationally accredited system of CE approval. Therefore, the 7.25 AMA PRA Category 1 Credits™ will be accepted for nursing credits.
This live activity, Contemporary Outpatient Cardiovascular Medicine, with a beginning date of October 24, has been reviewed and is acceptable for up 7.25 AMA PRA Category 1 Credits™ by the American Academy of Family Physicians. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Faculty Disclosure
The Cleveland Clinic Foundation Center for Continuing Education has implemented a policy to comply with the current Accreditation Council for Continuing Medical Education Standards for Commercial Support requiring resolution of all faculty conflicts of interest. Faculty declaring a relevant commercial interest will be identified in the activity syllabus.

Americans with Disabilities Act
The Cleveland Clinic Foundation Center for Continuing Education fully intends to comply with the legal requirements of the Americans with Disabilities Act. If you need assistance, please notify us at least two weeks prior to the activity.

Recording or reproducing of this activity in any format is prohibited.
