Distinguished Guest Faculty

L. Eugene Arnold, MD, MEd
The Ohio State University

Benjamin Carson Sr, MD
Johns Hopkins University

Benard P. Dreyer, MD
NYU Langone Medical Center
President-Elect, American Academy of Pediatrics

Daniel J. Flannery, PhD
Case Western Reserve University

Larry K. Pickering, MD, FAAP
Centers for Disease Control and Prevention

Elizabeth Short, PhD
Case Western Reserve University

Mark Wietecha
Children’s Hospital Association
Join us at the Cleveland Clinic Pediatric Innovation Summit

About the Summit

The Cleveland Clinic Children’s Pediatric Innovation Summit presents an evidence-based review and update of topics in pediatric care recently impacted by new data, screening tools, and/or treatments. It is targeted to health care providers looking for an in-depth analysis of the crucial data and clinical practice implications by the top experts in their fields. The Summit will also highlight, through a panel discussion, the future of pediatric health care during a panel discussion facilitated by leaders in the health care field.

Of special significance, there will be a keynote address by the President-Elect of the American Academy of Pediatrics.

Attached to the Summit are individual symposiums on Thursday and Saturday that learners may register for independent of the Summit.

Held on Friday and Saturday, this Summit will focus on the most important clinical practice innovations in the past year with sessions focused on a review of the medical literature and an immunization update. Other related topics include clinical practice updates in diagnosis and management of neonatal conditions, puberty, common urologic problems, dermatology, ophthalmology, and care of the medically complex child.

Attendees registering for the Summit are able to attend additional symposiums at no additional fee.

Attendees will learn how to:

- Summarize recently published public health reports related to pediatrics and discuss their implications for clinical care.
- Discuss how to implement the latest recommendations and address the challenges associated with pediatric immunization.
- Critically evaluate recent trends in diagnosis and management of neonatal health concerns.
- Present clinical practice updates related to puberty, common office urologic problems, dermatology, ophthalmology, and care of the medically complex child.

The Summit Includes Additional Educational Symposiums:

The Annual Helen and Ronald Ross Symposium on Pediatric Cardiology

This parallel Thursday symposium will highlight essential factors of pediatric congenital heart disease and heart murmurs, including nonsurgical approaches to management, neurologic sequelae of heart lesions, and the role of genetic factors, along with discussions of clinical practice management of common problems such as syncope and palpitations, chest pain, and issues associated with sports clearance.

Attendees will learn how to:

- Summarize the diagnosis, prognosis, genetics, and management of congenital heart lesions in pediatric patients including nonsurgical, transcatheter approaches to management.
- Describe the management of common issues in pediatric cardiology including chest pain, syncope, sports clearance issues, and pectus excavatum.

Nursing Symposium

As a parallel session on Thursday, this symposium will discuss the latest advances in the diagnosis and management of common pediatric chronic conditions including diabetes, juvenile idiopathic arthritis, and a host of cardiac and neonatal disorders. It will also define the role of nurse practitioners in instituting a comprehensive care program to provide timely, appropriate management of chronic conditions, transitional care, and coordinated care programs.

Attendees will learn how to:

- Discuss the latest advances affecting nurse practitioners in the diagnosis and management of common pediatric chronic conditions including diabetes, juvenile idiopathic arthritis, and cardiac and neonatal disorders.
- Define the role of nurse practitioners in instituting a comprehensive care program to provide timely, appropriate management of chronic conditions, transitional care, and coordinated care programs.

Autism and ADHD Symposium

This Saturday afternoon symposium will review the latest screening and management options, including psychiatric and behavioral interventions for patients with autism. The ADHD track will cover how to combine pharmacotherapy and behavioral treatments to promote optimal outcomes.

Attendees will learn how to:

- Review state-of-the-art screening and management options including psychiatric and behavioral interventions for improving outcomes in patients with autism.
- Discuss synergy of pharmacotherapy and behavioral treatments to promote optimal outcomes for ADHD in general pediatric practices.

Who Should Attend?

This activity is intended to educate physicians, nurses, nurse practitioners, advanced practice nurses, physician assistants, and other allied health professionals in cardiology, pediatrics, family medicine, psychology, and psychiatry.

Family members and patients living with autism and ADHD will also find the Saturday symposium to be informative and provide opportunities to clarify management and treatments regarding patient care.
Thursday, June 11, 2015
The Annual Helen and Ronald Ross Symposium on Pediatric Cardiology

7:00 am  Registration, Continental Breakfast, and Visit Exhibits
8:00 am  Opening and Welcome
         Robert Stewart, MD
         Peter Aziz, MD
8:10 am  Primer on Congenital Heart Disease
         Francine Erenberg, MD
8:55 am  Murmurs – When to Refer?
         Alex Golden, MD
9:40 am  Refreshment Break and Visit Exhibits
10:00 am Chest Pain in Children and Adolescents
         Thomas Edwards, MD
10:45 am Evaluation of Syncope and Palpitations
         Peter Aziz, MD
11:30 am Sports Clearance: What Do I Need to Know?
         Kenneth Zahka, MD
12:15 pm Lunch
1:30 pm  Pectus Excavatum: Diagnosis and Innovative Techniques in Management
         Anthony DeRoss, MD
2:15 pm  Current Understanding of Neurological Injury in Congenital Heart Disease
         Neil Friedman, MBChB
3:00 pm  Genetics Associated with Congenital Heart Disease
         Rocio Moran, MD
3:45 pm  Transcatheter Management of Heart Lesions: An Innovative Approach
         Lourdes Prieto, MD
4:30 pm  Panel Discussion
         Robert Stewart, MD
         Peter Aziz, MD
5:00 pm  Keynote Address
         Benard P. Dreyer, MD
6:00 pm  Adjourn
6:00 pm  Reception

*A 15-minute Question and Answer session will be included at the end of each presentation.

Thursday, June 11, 2015
Nursing Symposium

7:00 am  Registration, Continental Breakfast, and Visit Exhibits
8:00 am  Opening and Welcome
         Carrie Cuomo, CPNP
         Diane Kenny, MSN, RN, CPNP, AE-C
8:10 am  Type I DM: Current and Future Management
         Cheryl Switzer, MSN, RN, CPNP, CDE
8:55 am  ENT Potpourri
         Anne Banas, CNP
9:40 am  Alternative Therapies in Pediatrics
         Diane Kenny, MSN, RN, CPNP, AE-C
10:30 am Refreshment Break and Visit Exhibits
10:45 am Common Problems in Cardiology
         Shanna Botos, APN
11:30 am Conversations in the Diagnosis and Management of Juvenile Idiopathic Arthritis
         Denise Costanzo, NP
12:15 pm Lunch
1:30 pm  Transitional Care in Pediatrics
         Carrie Cuomo, CPNP
2:15 pm  Pediatric Care Coordination
         Cheryl Cairns, MSN, RN, CS
3:00 pm  Dealing with Chronic Illness in the Pediatric Patient
         Helen Gutin, CNP
3:45 pm  Neonatology Update
         Laura Bobek, CNP
4:30 pm  Panel Discussion
         Carrie Cuomo, CPNP
         Diane Kenny, MSN, RN, CPNP, AE-C
5:00 pm  Keynote Address
         Benard Dreyer, MD
6:00 pm  Adjourn
6:00 pm  Reception

*A 15-minute Question and Answer session will be included at the end of each presentation.

**Autism and ADHD Symposium**

1:00 pm Registration

1:30 pm Keynote Address
Pharmacologic Treatment Approaches for Children with ADHD and Autism
L. Eugene Arnold, MD, MEd

**Specialty Tracks**
Select one track below

**Autism – Track 1**

- 2:30 pm Screening for Autism in Generalized Subspecialty Practices
  Leslie Speer, PhD
- 3:15 pm Integrating Psychiatric and Other Treatment Services for Individuals with Challenging Behavior and Autism
  Veena Ahuja, MD
- 4:00 pm Novel Behavior Therapy Models for Early Intervention in Autism
  Thomas W. Frazier, PhD
- 4:45 pm Panel Discussion
- 5:00 pm Adjourn

**ADHD – Track 2**

- 2:30 pm Behavioral Assets in Children Diagnosed with ADHD and Autism
  Elizabeth Short, PhD
- 3:15 pm Treatment Outcomes for Children with ADHD and Disruptive Behavior Disorders
  Daniel J. Flannery, PhD
- 4:00 pm Synergy of Effects in Stimulant Use and Behavior Therapy in Children and Youth with ADHD
  Michael Manos, PhD
- 4:45 pm Panel Discussion
- 5:00 pm Adjourn

*A 15-minute Question and Answer session will be included at the end of each presentation.*

**Two Ways to Register**

**ONLINE**
cfcme.org/pediatrics
Cleveland Clinic employee fees and registration are available online only.

**BY MAIL**
The Cleveland Clinic Educational Foundation
PO Box 931653, Cleveland, OH 44193-1082
Registration form can be downloaded from the course website

**Fees**
Fee includes: Daily Continental Breakfast, Lunch (Thursday and Friday), Faculty PowerPoint Presentations in PDF Format, Available Online, and Reception

Visit [www.cfcme.org/pediatrics](http://www.cfcme.org/pediatrics) for complete registration information.

**Registration and Cancellation**

Preregistrations are accepted until 2:00 pm ET JUNE 9, 2015. Register on site after this date. In case of cancellation, a full refund will be made if canceled by JUNE 1, 2015. After JUNE 1, 2015 a $75 cancellation fee will be deducted from your refund. For questions about registration or cancellation, email us at cmeregistration@ccf.org or call 216.448.0777.

Cleveland Clinic Center for Continuing Education reserves the right to cancel or postpone an activity at our sole discretion. In the unlikely event that this occurs, any registration fee(s) paid will be refunded. Be advised that Cleveland Clinic is not responsible for related costs including airline tickets, hotel costs, or any similar fee penalties incurred as a result of any trip cancellations or changes.
General Information

Hotel Accommodations
A limited block of rooms has been reserved at the Cleveland Marriott Downtown at Key Center at a special rate of $170 single/double (plus tax) only until Thursday, May 21, 2015. After this date, the discounted group rate may not be available.

To make your reservation, contact Marriott Reservations at 800.228.9290 or 216.696.9200. Identify yourself as being with the Cleveland Clinic Pediatric Innovation Summit or you may also make them online at www.marriott.com using the booking code: cpccpca. All rooms are eligible to receive Marriott Reward points.

The Cleveland Marriott Downtown at Key Center Hotel is located directly across from the conference venue at 127 Public Square, Cleveland, OH 44114.

Parking
Parking is available at several downtown parking lots near the conference location. Valet parking is also available at the Global Center for Health Innovation. Pricing will vary.

Information
For further information about this activity, contact the Cleveland Clinic Center for Continuing Education.
Local: 216.448.0770
Toll Free: 800.238.6750
Website: ccfcmce.org/pediatrics

Accreditation
The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this live activity for a maximum of 23.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association for Category 2 credit.

Application for CME credit has been filed with the American Academy of Family Physicians. Determination of credit is pending.

Faculty Disclosure
The Cleveland Clinic Foundation Center for Continuing Education has implemented a policy to comply with the current Accreditation Council for Continuing Medical Education Standards for Commercial Support requiring resolution of all faculty conflicts of interest. Faculty declaring a relevant commercial interest will be identified in the activity syllabus.

Americans with Disabilities Act
The Cleveland Clinic Foundation Center for Continuing Education fully intends to comply with the legal requirements of the Americans with Disabilities Act. If you need assistance, please notify us at least two weeks prior to the activity.

Recording or reproducing of this activity in any format is prohibited.

Nearby Attractions
Visit the wide selection of restaurants and activities that Cleveland has to offer:

- Historic Warehouse District is home to a variety of restaurants, nightlife, and specialty boutiques – warehousedistrict.org
- East Fourth Street District has the House of Blues, Pickwick & Frolic, Lola (home of Iron Chef Michael Symon) and more – east4thstreet.com
- Playhouse Square Theater District is the second largest performing arts center in the country – playhousesquare.org
