An Overview of Evaluation and Treatment of Posterior Pelvic Floor and Hands-on Robotic Ventral Rectopexy Cadaver Course

September 30 – October 1, 2016
InterContinental Hotel and Bank of America Conference Center
Cleveland, OH

Register Today! ccfcme.org/pelvicfloor
Course Description
The Cleveland Clinic Department of Colorectal Surgery is pleased to present An Overview of Evaluation and Treatment of Posterior Pelvic Floor. This unique two-day course will focus on in-depth multidisciplinary didactic lectures and presentations, designed for medical caregivers who are interested in an overview of evaluation and treatment of pelvic floor and care of patients with posterior compartment problems. This course will use a case-based presentation format in which attendees are encouraged to provide input, ask questions, and share their experiences to guide discussions on diagnosis, evaluation, and what’s new in management techniques both surgical and medical.

Key topics include:
• Importance of multidisciplinary pelvic floor interaction
• Fecal incontinence overview of medical and surgical treatment
• Constipation: approach and treatment
• Rectal prolapse: new ideas for an old problem

Learning Objectives
After completing this educational activity, the participant will be able to do the following:
• Review the complex anatomy of the pelvis and pelvic floor.
• Describe an algorithm for care of patients with fecal incontinence.
• Discuss types of constipation and treatment approaches.
• Discuss the importance of the multidisciplinary approach to patient care.
• Discuss the various approaches to surgical treatment of rectal prolapse.
• Discuss the outcomes for ventral rectopexy and the surgical steps for the procedure.
• Participants enrolled in the cadaver course will learn the steps required to perform robotic ventral rectopexy.

Who Should Attend?
This activity is designed for colorectal surgeons, surgeons, urogynecologists, urology, gynecologists, internists, gastroenterology, primary care physicians, physical therapist, and other health care professionals who desire an update on the treatment of pelvic floor and care of patients with posterior compartment problems.

FEATURING HANDS-ON ROBOTIC VENTRAL RECTOPEXY CADAVER COURSE: Ventral Rectopexy: Outcomes and Surgical Techniques
By providing relevant discussions of the most current evidence and hands-on instruction, this educational offering strives to help practitioners acquire knowledge and skills regarding new data and surgical techniques which, in turn, can be translated directly to their clinical practice.

• Overview of Laparoscopic and Robotic ventral rectopexy, indications and long term outcomes
• Surgical steps for Robotic Ventral Rectopexy
• Technical points and trouble shooting problems during robotic ventral rectopexy

This course is designed to improve the management of patient care, promote collaboration between interdisciplinary providers, and accelerate the decision-making between providers and patients. The goal is to decrease the time between diagnosis and treatment and ensure appropriate referral patterns, thus creating a more positive patient outcome. Our goal is to improve the quality of patient care and enhance the level of information available to the physicians and other providers involved in diagnosis and treatment.

Join us at An Overview of Evaluation and Treatment of Posterior Pelvic Floor
Friday, September 30 2016

6:00 am  Exhibitor Check In Opens
7:00 am  Breakfast and Registration Opens
7:50 am  Introduction

Session 1: Welcome To My Office Hours
Moderator: Dana Sands, MD

8:00 am  Evaluating Patients With Pelvic Floor Dysfunction/Functional Bowel Disorders
Brooke Gurland, MD

8:15 am  To test or not to test? What tests help us.
Giovanna Marques DaSilva, MD

8:30 am  Pelvic Floor Imaging: Defecography, Dynamic MRI
Joseph Veniero, MD

8:45 am  Rectocele, Enterocele and Multicompartment Prolapse
Matthew Barber, MD, MHS

9:00 am  Sigmoidocele, Intussusception, Perineal Descent: Radiological or Clinically Significant?
Shane McNevin, MD

9:15 am  Physical Therapy/Biofeedback for FBD – What is new? How does it help?
Megan Edgehouse, MPT

9:30 am  Acupuncture as an adjunct for FBD and anal pain
Jamie Starkey

9:45 am  Medical Therapies: Diet and Medications – the calm that may end the storm
Samita Garg, MD

10:00 am  Panel/Questions
10:15 am  Break & Exhibits

Session 2: When Surgery is an option
Moderator: Giovanna Marquez DaSilva, MD

10:30 am  Fecal Incontinence: What options do we give patients?
Massarat Zutshi, MD

10:45 am  Fecal incontinence: Choosing the right therapy for the right patient
Shane McNevin, MD

11:00 am  Algorithm for Treating Constipation: When medical options fail
Tracy Hull, MD

11:15 am  How do you decide which patient should have a perineal procedure and which should have an abdominal procedure?
Ryan Williams, MD

11:30 am  Ventral rectopexy: Is this the new Standard?
Brooke Gurland, MD

11:45 am  Ventral Rectopexy: Procedure Steps
Sherif Shawki, MD

12:00 pm  Recurrent rectal prolapse: What are my options?
Dana Sands, MD

12:15 pm  Panel / Questions
12:30 pm  Lunch
Friday, September 30 2016 continued

Session 3: Complex Fistulas and Anorectal Disorders
Moderator: Brooke Gurland MD

1:30 pm Pelvic Floor Imaging: Looking for A Fistula
Joseph Veniero, MD

1:45 pm Rectal Vaginal Fistula: The slippery decision slope
Tracy Hull, MD

2:00 pm Complicated RVF: Options for Flaps
Raymond Isakov, MD

2:15 pm RVF Repair: How I Do it
Shane McNevin, MD

2:30 pm Chronic Anal Pain
Dana Sands, MD

2:45 pm The difficult patient with anal pain. What do I do?
Joseph Abdelmelak, MD

3:00 pm Treating Challenging cases of hemorrhoids and anal fistula
Massarat Zutshi, MD

3:15 pm Questions/Panel

3:30 pm Break & Exhibits

Session 4: Videos
Moderator: Massarat Zutshi, MD

3:45 pm Botox and Trigger Point Injections

3:55 pm Ventral Rectopexy

4:05 pm SNS

4:15 pm RVF repair

4:25 pm Bring Interesting/Difficult Patient Cases
Tracy Hull, MD

4:45 pm Adjourn

Saturday, October 1, 2016

8:00 – 10:00 am Ventral Rectopexy Didactics

8:00 am Intro: Welcome
Brooke Gurland, MD

8:15 am Patient positioning/ port placement
RVR/exposing the pelvis
Sherief Shawki, MD

8:30 am Clearing the Sacrum LVR
peritoneal dissection/exposing RVF space
Matthew Barber, MD

8:45 am Mesh or graft placement and suturing on to the rectum
Brooke Gurland, MD

9:00 am Fixation at the sacrum
Marie Paraiso, MD

9:15 am Closure of the peritoneum
Jennifer Hrabe, MD

9:30 am Avoiding Complications/ Learning Curve
Brooke Gurland, MD

9:45 am Q&A

10:00 am Move to Simulation Lab (L-130)

10:15 am HANDS-ON ROBOTIC VENTRAL RECTOPEXY CADAVER COURSE: Ventral Rectopexy: Outcomes and Surgical Techniques

12:00 pm Lunch

12:30 pm HANDS-ON ROBOTIC VENTRAL RECTOPEXY CADAVER COURSE: Ventral Rectopexy: Outcomes and Surgical Techniques

2:30 pm Adjourn

Registration

Fee includes: Continental Breakfast(s), Refreshment Break(s), Lunch and Program Booklet

Meeting Location
InterContinental Hotel and Bank of America Conference Center
9801 Carnegie Avenue
Cleveland, OH 44106
Phone: 216.707.4100 or 877.707.8999

Information
For further information or questions about this course, contact Jean Lucas, DDI CME Coordinator at 216.444.0295 or lucasj1@ccf.org

Parking
Parking (at own expense) is available in the 100th Street Visitor’s Parking Garage for a daily rate charge or valet parking is available at the hotel.

Hotel Accommodations
InterContinental Hotel and Bank of America Conference Center
9801 Carnegie Avenue
Cleveland, OH 44106
Phone: 216.707.4100 or 877.707.8999
A block of rooms has been reserved at the InterContinental Conference Hotel and InterContinental Suites Hotel until 5:00 pm September 9, 2016. To make your reservation, contact the Hotel Reservations Department at 216.707.4100 or toll free 855.765.8709.

Registration and Cancellation
Preregistrations are accepted by online until 9:00 am ET September 28, 2016. To register after this date, please do so onsite. In case of cancellation, a full refund will be made if canceled by September 16, 2016. After September 16, 2016 a $100 cancellation fee will be deducted from your refund. Written notification of your cancellation is required in order to process your refund. NO REFUNDS WILL BE ISSUED AFTER October 1, 2016.

For questions about registering online, call 216.444.0295 or email ddicme@ccf.org

Accreditation
The Cleveland Clinic Foundation Center for Continuing Education is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The Cleveland Clinic Foundation Center for Continuing Education designates this live activity for a maximum 13.25 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Participants claiming CME credit from this activity may submit the credit hours to the American Osteopathic Association for Category 2 credit.

Faculty Disclosure
The Cleveland Clinic Foundation Center for Continuing Education has implemented a policy to comply with the current Accreditation Council for Continuing Medical Education Standards for Commercial Support requiring resolution of all faculty conflicts of interest. Faculty disclosing a relevant commercial interest will be identified in the activity syllabus.

Americans with Disabilities Act
The Cleveland Clinic Foundation Center for Continuing Education fully intends to comply with the legal requirements of the Americans with Disabilities Act. If you need assistance, please notify DDSI CME Department at 216.444.0295 at least two weeks prior to the activity.
