

Cleveland Clinic Robotics in Plastic Surgery Conference 2025 **July 31 – August 2, 2025**

Dear Potential Exhibitor:

On behalf of Cleveland Clinic's Department of Plastic Surgery and activity directors Sarah Bishop, MD, and Graham Schwarz, MD, MSE, we invite you to exhibit at the **Cleveland Clinic Robotics in Plastic Surgery Conference 2025, July 31-August 2, 2025**, in Cleveland, OH.

This meeting highlights current and emerging uses for robotics in plastic surgery and collaborative specialties. Through hands-on training and expert panel discussions, attendees will learn cutting edge robotic techniques, develop skills to build robotic surgical programs, enhance multi-disciplinary collaborations and integrate related technologies in their practice workflow.

The Conference is targeted to plastic surgeons, surgeons from collaborative specialties, residents, fellows, and healthcare professionals interested in the use of robotics in surgical procedures. We expect 85 participants and faculty at this Conference. Space is limited to maximize the hands-on learning experience.

Exhibits will be located outside the meeting space at the InterContinental Hotel & Conference Center. Hands-on training will take place at Cleveland Clinic's Advanced Skills & Simulation Center.

Three exhibit levels are available, along with multiple promotional opportunities. To view exhibit levels and promotional opportunities, please visit www.cfcme.org/Robotics.

Exhibitors may pay by credit card online or choose to pay later by check. Checks should be payable to **The Cleveland Clinic Educational Foundation** (Tax ID # 34-0714553) and mailed to:
